Essay competition on Hepatitis and Community: A roadmap to 2030.

Our Guest Speaker

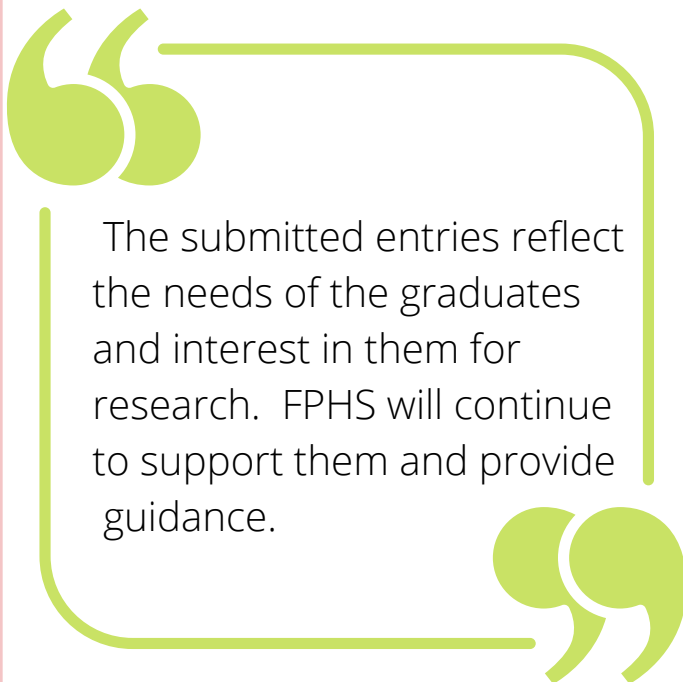

Prof. Randeep Guleria

Director

All India Institute of Medical Sciences, New Delhi

Congratulations and best wishes to FPHS. A very good initiative of FPHS to build a path for early career professionals

The submitted entries reflect the needs of the graduates and interest in them for research. FPHS will continue to support them and provide guidance.

Essay competition on Hepatitis and Community: A roadmap to 2030.

The Idea

Foundation for people centric Health Systems (FPHS) to commemorate the World Hepatitis Day (28th July 2022) has organized a series of events. FPHS focus on Capacity building initiative of early career professionals including graduate and postgraduate students. Thus, Essay competition was organized by FPHS on the theme "Hepatitis and community: a roadmap to 2030"

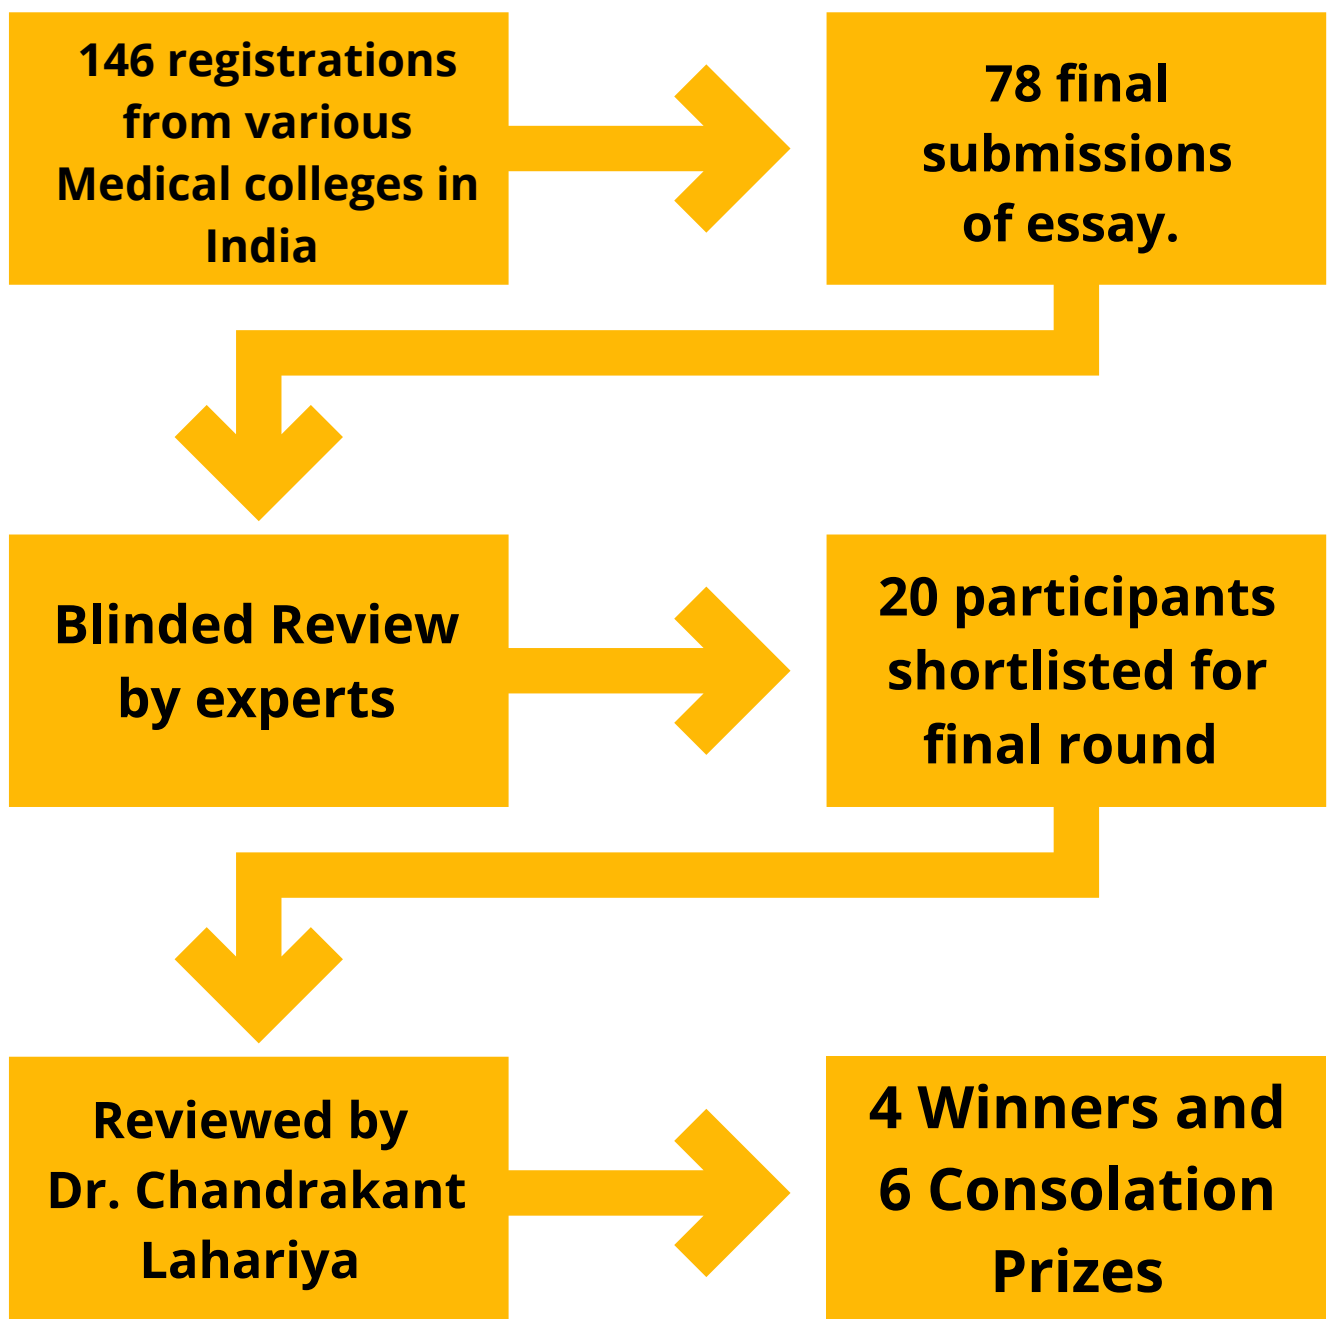

World Hepatitis Day 2022

World Hepatitis Day takes places every year on 28 July to raise awareness and promote global action on viral hepatitis. The theme of 2022 is "Bringing hepatitis care closer to you", aims to raise awareness about the need to simplify and bring hepatitis care to primary health facilities, community-based venues and locations beyond hospital sites, so that care is closer to communities and people wherever they are.
